Football Arguments

(Q.)—The referee saw a foul kick to the visitors. He had signalled for the kick to be taken, one of the visitors went forward, lifted the ball with his hands and kicked it. The referee gave a free kick to the home team. Was the referee making his second award?

(A.)—If the facts are as stated, he was wrong. As a matter of fact, the free kick had not been taken according to rule. It should be kicked when lying on the ground, not picked up and kicked. The player erred undoubtedly, but the referee should have cautioned him. He should then have allowed the free kick to be properly taken.

(Q.)—Can you advise me what decisions of a referee the captain of the club can protest against? If he makes a wrong decision, what points can his decision be overturned by the Football Association?

(A.)—The captain of a team cannot enter a protest on any point. He is of opinion the referee is wrong in his interpretation of the rules or laws, but the referee's decision must be accepted. The Football Association can overturn a decision of a referee when a decision is given contrary to the laws. For example, if a referee gave a penalty kick against a player for "carrying" the ball, and the player gave a goal where, at the time of a penalty kick, the ball is bounded from the crossbar, and the same player shot it into the net, he would be in error. The referee would be wrong on a point of law, and his decision could be overturned by the Association concerned.

Bravo! Victoria.

sincerest congratulations extended to the Victorian and its popular player-manager, Mr. H. Bingham, who is also secretary of the Victorian Association, on their magnificent

victory was the result of a fought out game, and it is generally admitted that the N. S. men were defeated by a team of skillers.

On this occasion was a Historic one. N. S. and Victoria were playing the first round match for the Trophy Competition, and the teams meet the winners of the Victoria and South Australia fixtures in Victoria, so have a great chance of annexing the Shield.

It is good to see the Victorians at the round ball game, for the scope of the Interstate matches is broadened, which will be to the benefit of the game throughout Australia.

N. S. will surely come again, and will put its best foot foremost next time.

School Appeal.

An appeal for schoolboys is in being. The donation of the N. S. A. has been supplemented by a collection of four pounds of billings last Saturday at the Cricket Ground, No. 2.

A dance is being held at the Palais Royal on Monday, June 4, and tickets are available at the following prices: Gents, 2/5; Ladies, 1/6. The whole of the proceeds of the Association will go to the fund. On the occasion of the dance the Australian team which is proceeding to Java will be present, so an interesting and festive evening should be

Supporters are asked to rally to the aid of the Association and make sure of buying a ticket from one of the Association's sellers. Tickets bought at the door will not assist this appeal, as that money goes to the management of the Palais Royal.

Newcastle v. Victoria.

W. MAUNDER SELECTED.

W. Maunder, the crack Newcastle centre forward, will again occupy the pivot position for the Northern representative side, as he has agreed to play next Saturday against Victoria. Ex-State Leaguers in Coutts and James are also selected. The team reads as follows:—

Goal: P. Jordan (New Lambton).

Full-backs: R. Scott (New Lambton), R. Urwin (Wallsend).

Halves: V. Turnbull (Adamstown), C. Coutts (West Wallsend), E. Richardson (West Wallsend).

Forwards: C. James (W. Wallsend), A. Muir (W. Wallsend), W. Maunder (New Lambton), W. Kelly (Holmesville), A. Dunne (Adamstown).

Did You Know That—

Bowyer, the North Sydney goalie, impressed by his display against Adamstown, and is spoken of as a possible interstate representative by Northern officials.

Robertson, the ex-Gladesville man, did not do much last week, but all the same he will be a wonderful help to the suburbs apart from his ability as a goal-scorer.

Judy Masters will be turning out for his club shortly, and will inspire his team as no other player in Australia at the present time can do.

Referee Lane just "missed" last Gardiner Cup Final "by a whisker." He was given the interstate match on Saturday and performed creditably.

Two metropolitan officials attended the general meeting of the Gladesville-Ryde Soccer Company in their capacity as trustees for M.S.F.A. in respect of 25 shares held by that body.

The four "gates" at Gladesville this year in all totalled £211, as against £168 for four gates in the M.S.F.A. matches last year.

After allowing for travelling expenses the position as compared with last year cannot be said to have been improved from the Gladesville viewpoint.

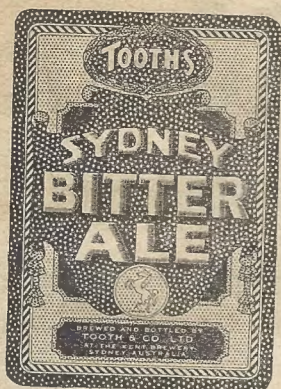

It was hard luck for Cook to be standing on the line on Saturday as a N.S.W. reserve, when his club was engaged in a premiership duel with Easts.

Charlie O'Connor, the Victorian and ex-Eastern Suburbs player may yet be available for the Java tour, and should be a certainty, as his play was of the highest class.

Callaghan, of Pyrmont, has been "stood down" for two playing dates.

Harris, of Adamstown has been selected as captain of the N.S.W. side to Queensland.

S. A. Storey is the manager of the N.S.W. team.

Football Arguments.

(Q.)—A goalkeeper comes clear a ball travelling in his direction when one of his back intercepts the ball, and, being aware that his goalkeeper has the goal, passes the ball back towards the untenanted goal. The goalkeeper, knowing that nothing orthodox can save his charge from downfall, throws his cap at the ball.

The latter is travelling slowly, and consequently, the cap falls right in its path. The ball stops dead, about a foot from the goal line. One might add that this incident actually did happen, and many arguments were heard on all sides with regard to the referee.

The ball was kicked clear by the back, but the referee blew his whistle, cautioned the goalkeeper and awarded a free kick against him from which a goal could have been scored direct at the spot where the ball was stopped by the cap (about a foot from the goal line).

Incidentally, this free kick was cleared. Some said the correct decision should have been a goal, which is "bunkum," seeing the ball never crossed the goal line. Others were of opinion that a penalty kick should have been given, but under what rule it is hard to say. Certain others said a free kick should have been given from which a goal could be scored direct. Who was correct?

(A.)—Now, as a matter of fact, neither the referee, the enquirer nor those who wanted a goal, those a penalty kick, or the other who wanted a scoring free kick awarded were correct. All are wrong. According to law, the course a referee can take in such a case is to caution the player for his conduct, and recommence the game by dropping the ball at the spot where the offence took place, i.e., about a foot from the goal line.

Under what rule, I wonder, did the referee award a free kick from which a goal could not be scored direct? What offence had been committed?

As a matter of fact, the goalkeeper was guilty of "ungentlemanly conduct," and the referee should have dealt with him under Law 13.

LAST WEEK.

Two teams were very surprised at Saturday—Leichhardt Meth. A and their Warren contemporaries. Term. Godbee says he expected a team to win, but he seemed a bit dazed after the results were made known. St. Silas were topped from collecting two points for the first time this year by Balmain Meth. B. As full time was not played, the match will be replayed on 9th June. Petersham Capt. had a great win, and are all pleased.

TO-DAYS GAMES.

St. Thomas' A think they'll beat Campsie Pres. A to-day, but nobody else does. All Saints' B will have a tough nut to crack in H. Meth. A. Balmain Meth. A. must win, also the C team. St. Paul's expect to towell Holy Trinity but it's an even chance.

ST. HURSTVILLE METHODIST CHURCH.

All St. George Branch teams are asked to meet outside the above church at 6.50 p.m. to-morrow night, for the first Church parade of the season.
